Red Tommy Ball with Liner and Single Vacuum Holster

Part Number: A-BALL-S-L-R-A
Description:
Site Map: Home
Price: $275.00

Detailed Description

This textured Tommy ball is used at the end of the vacuum station rows in the vacuum area of the wash site. The Tommy ball comes in the color red and includes both a trash liner in the middle and a single vacuum nozzle holster mounted onto the Tommy ball. The vacuum nozzle holster (P-VAC-HLSR-3) included on this Tommy ball is meant to hold the new and improved Tommy vacuum nozzle (P-VAC-350). With a spherical shape and flat bottom, they match the starbursts and arches found throughout the equipment of the Tommy's Express site. These balls provide practical applications while also being visually pleasing for guests both at the wash site and passing by. They serve multiple functions in the vacuum area such as a trash can, vacuum nozzle holder, decorative piece, etc. This ball has a 33" diameter with a flat bottom for easy install and with a weight of only 23 lbs. they can be moved without hassle. The textured UHMW plastic material provides protection from the outdoor elements while also keeping them light weight. Spice up the exterior of your wash site by displaying our textured Tommy balls throughout the ends of your vacuum area! Vacuum nozzles and hoses not included.
