Detailed Description

Tommy Tire Gloss™ offers great performance and fantastic results. This water-based polymeric silicone emulsion tire dressing is for drip or hand application systems and leaves tires looking professionally polished with a long-lasting 'wet' effect.

30 gallon containers available.

Contains skin and eye irritants. Follow included procedures in event of accidental exposure. For Commercial Use Only.

Specifications

Recommended ratio through drip application systems is 2 to 4 ounces per vehicle.

Recommended rate through hand applied systems is .5 ounces per tire.
