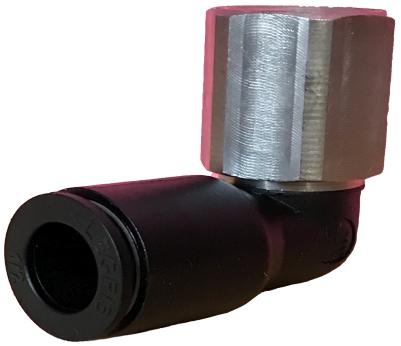
3/8" X 1/2" 90 Degree Elbow



Part Number: P-WAT-2176
Description: 3/8" Female NPT x 1/2" Push-To-Connect Tube 90 Degree Elbow - Used in the POD
Site Map: Tommy Store > Parts > . > Parts by Type > Fittings & Clamps > Quick Connect Fittings
Price: $15.72

Detailed Description

This 90 degree elbow has a 3/8" female NPT and a 1/2" push-to-connect end for tubing that is used in the POD's. The push-to-connect system allows for a secure, leak-proof connection without tools needed and an easy disconnect with the plastic release button. This elbow fitting swivels around the threaded, nickel-plated base for easy installation. This elbow works with all pneumatic machines.

Specifications

- Side 1: 3/8" Female NPT
