

# Tommy Guard - 5 Gallon

**Part Number:** C-320C30

**Description:**

**Site Map:**

**Price:** \$370.00

## Detailed Description

The Tommy Guard offers superior protection on vehicle surfaces and is safe for use on all paint types and colors. This protection helps enhance the gloss of the vehicle's finish while protecting the clearcoat. Tommy Guard also provides exceptional performance of water beading and repelling rain water. The polymers in Tommy Guard aid in the drying process and helps hide swirl marks over time from cracked clearcoat. It comes in a 5 gallon container.
