

# Tire Shine Applicator

**Part Number:** E-F1007-LM

**Description:** High Performance Tire Shine Applicator for Express Car Wash Tunnels w/ Leg-Mounting System and Bristle Brushes

**Site Map:** Tommy Store > In the Tunnel > Tire Blaze Applicator

**Price:** \$16,490.00

## Detailed Description

Add extra value to your wash with the Tommy Car Wash Systems' **Tire Shine Applicator System**! This tried and tested tire shine unit features high-efficiency bristle-style applicator tips that buff tires and actively apply the perfect level of tire gloss for upsold car wash customers, improving car wash value and ROI. Drivers love the dark black 'wet look' and washes report greatly increased upsell and membership rates as a result!

This leg mount only package attaches to blower arches at the exit of the tunnel. Brushes spin constantly while equipment is running.

&nbsp;
