

# Belt Drive Chain Coupling With Master Link

**Part Number:** P-C2123

**Description:** 8018 Chain Coupling with Master Link - Used for the Belt Conveyor

**Site Map:** Tommy Store > Parts > Transporter Belt Conveyor Parts

**Price:** \$101.40

## Detailed Description

This 8018 chain coupling with master link included is used with the belt conveyor. The chain couples the shaft from the gearbox to the drive shafts. This is an 18 link chain section with a corrosion resistant coating to exceed the life of a standard steel chain.

## Specifications

- Size 80 Chain
- 18 Links
- 1in. Pitch
- Includes Master Link
- ANSI double width
- Material: Steel
- Weight: 5.50 lbs.
- Chain number: 5016
