

LED 8' Red Flex Light Plus Strip

Part Number: P-LED-3001

Description:

Site Map: Tommy Store > In the Tunnel > Sign Panels & Arch Lighting > LED Light Strips

Price: \$180.00

Detailed Description

This light strip is used on the Spot Free Rinse sign panels in the wash tunnel. This Flex Light Plus is protected with a flexible PVC casing. This material is extremely durable and is able to withstand the harsh, high-moisture environment in the wash. The light strip is also low maintenance, easy to install, and consumes 70% less power than neon light strips.
