

Red UHMW Exit Tire Shine Cover

Part Number: P-TB-206

Description: Red UHMW Universal Driver/Passenger Side Exit Tire Shine Cover

Site Map: Home

Price: \$118.00

Detailed Description

This plastic cover is used to protect vehicle's wheels from scraping against metal as they exit the Tire Shine application portion of the wash cycle. This cover is universally shaped for the exit on both the driver and passenger side sections of the Tire Shine. The cover is made from UHMW plastic for longevity while being soft enough to not damage rims and tires of the vehicles. This cover comes in the color red. Blue covers are available for special order. You will need to call Client Services at 616-795-4893 to request this cover in the color blue.
