

Tommy Car Wash Vacuum Nozzle Tool Holster

Part Number: P-VAC-HLSR-3

Description:

Site Map: Tommy Store > Vacuum and Vending

Price: \$26.00

Detailed Description

The new Tommy Crevice Tool Holster for installation in Tommy Balls or other receptacles. Holds the vacuum nozzle crevice tool securely and provides a visible, designated space for customers to place the hose after vacuuming. The use of this new holster locks the new vacuum nozzle crevice tool into place, cutting down on long-term wear and tear from the nozzle falling out of the holster. This holster is required for all new-style nozzles ([P-VAC-304](#)).

Features

- Used with New Style Vacuum Nozzle [P-VAC-304](#)
- 3 Mounting Holes for Easy Installation
- Weatherproof Plastic Material
