

# 1/2" Male/Female Ends 90 Degree Street Elbow

**Part Number:** P-WAT-2206

**Description:** 1/2" Male NPT X 1/2" Female NPT 90 Degree Black Street Elbow

**Site Map:** Home

**Price:** \$4.59

## Detailed Description

Fitting is interchangeable with black cast-iron or steel. For low-pressure plumbing applications including air, water, natural gas, and steam. SL050-90 Polypropylene Pipe Fitting used to connect a male tube and a female tube at an angle. Polypropylene material gives improved dimensional stability and fiberglass reinforced for durability, strength, and chemical resistance.

## Specifications

- Schedule: 80
- Maximum Pressure: 300 PSI
- Connector Type: 1/2" Female NPT X 1/2" Male NPT
- Shape: 90 Degree Elbow
- Material: Polypropylene
- Color: Black
- Temp. Range: -20-150F
- Length: 3 1/16"

## Features

### Applications:

- Cooling Water Handling
- Waste
- Saltwater
- Fertilizer
- Herbicide
- Insecticide
